

Presentation of A*Midex international actions

and its partners

A*Midex actions in support of the internationalisation of Aix-Marseille University

5 main objectives:

1. Developing long-term international partnerships in Higher education and research
2. Making Aix-Marseille University a major research player in Europe and the World
3. Strengthening the strategic role of Aix-Marseille University in the Mediterranean
4. Attracting the best international students and researchers in Aix-Marseille area
5. Enhancing the international visibility of Aix-Marseille University and its local partners

A*Midex main tools:

- A*Midex calls for projects and funding programmes
- Students incoming and outgoing mobility grants
- Funding to strategic partnerships in research
- Actions towards a greater participation in EU programmes
